Education

- Aug 2021 - Jun 2023: Habilitation mathematics, Leibniz University Hannover
Jun 2023: Habilitation
- Nov 2012 - Feb 2016: Ph.D. mathematics, Leibniz University Hannover
Feb 2016: Dr. rer. nat.
- Oct 2010 - Oct 2012: Master mathematics, Leibniz University Hannover
Oct 2012: M.Sc.
- Oct 2007 - Sept 2010: Bachelor mathematics and physics, Leibniz University Hannover
Sept 2010: B.Sc.
- Aug 2004 - July 2007: High school, Hannover
June 2007: Abitur

Independently raised peer-reviewed fundings

- Nov 2012 - Feb 2016: Ph.D. funding
Hans-Böckler-Stiftung

Other fundings

- Oct 2010 - Oct 2012: M.Sc. funding
Hans-Böckler-Stiftung
- Oct 2007 - Sept 2010: B.Sc. funding
Hans-Böckler-Stiftung
- Oct 2007 - Sept 2008: B.Sc. funding
Niedersachsenstipendium

Professorships

1. Appointed as Professor in Mathematics and Applied Mathematics (tenured) at the FH Aachen - University of Applied Sciences in March 2022
2. Appointed as Juniorprofessor in Mathematics with focus on Stochastics/Statistics (tenure track to Professor) at the University Koblenz in September 2021

Prof. Dr. habil. Daniel Gaigall

Professor of Mathematics and Applied Mathematics

FH Aachen - University of Applied Sciences

Faculty 09 - Medical Engineering and Technomathematics

Campus Jülich

Heinrich-Mußmann-Straße 1

52428 Jülich

Germany

Phone: +49 241 6009 54337

E-Mail: gaigall@fh-aachen.de

Professional experience

since Sept 2022: Professor in Mathematics and Applied Mathematics

Faculty of Medical Engineering and Technomathematics, FH Aachen - University of Applied Sciences

since Jun 2023: Privatdozent

Faculty of Mathematics and Physics, Leibniz University Hannover

Apr 2022 - Aug 2022: Juniorprofessor in Mathematics with focus on Stochastics/Statistics

Institute of Mathematics, University Koblenz

Apr 2019 - May 2023: Adjunct lecturer

Faculty of Mathematics and Physics, Leibniz University Hannover

Oct 2019 - Jan 2020: Risk manager - modeling of the internal model

Risk Management, HDI, Köln

Apr 2019 - Mar 2022: Risk manager - validation of the internal model

Group Risk Management, Talanx, Hannover

Sept 2016 - Mar 2019: Research associate

Institute of Probability and Statistics, Leibniz University Hannover

Oct 2015 - Sept 2016: Research associate

Chair of Mathematical Statistics and Probability, University of Düsseldorf

Oct 2012 - Sept 2015: Research associate

Institute of Probability and Statistics, Leibniz University Hannover

Apr 2010 - July 2012: Student assistant

Institute of Probability and Statistics, Leibniz University Hannover

Feb 2010 - Mar 2010: Student internship

Regional Supervision of Banks and Financial Sector, Bundesbank Hannover

Organisations

- Fellow at the House of Insurance of the Leibniz University Hannover.
- Foundation's contact professor of the Hans-Böckler-Stiftung.

Prof. Dr. habil. Daniel Gaigall

Professor of Mathematics and Applied Mathematics

FH Aachen - University of Applied Sciences

Faculty 09 - Medical Engineering and Technomathematics

Campus Jülich

Heinrich-Mußmann-Straße 1

52428 Jülich

Germany

Phone: +49 241 6009 54337

E-Mail: gaigall@fh-aachen.de

Academic services

- Head of study program M.Sc. Applied Mathematics and Computer Science. *Faculty of Medical Engineering and Technomathematics, FH Aachen - University of Applied Sciences*
- Member of the admission committee M.Sc. Applied Mathematics and Computer Science. *Faculty of Medical Engineering and Technomathematics, FH Aachen - University of Applied Sciences*
- Former member of the institutional board. *Institute of Probability and Statistics, Leibniz University Hannover*

Research interests (selection)

- Statistics
 - Statistical tests
 - Confidence regions
 - Efficiencies
 - Goodness-of-fit
 - Design of experiments
 - Bootstrap procedures
 - Multivariate statistics
 - High dimensional statistics
 - Functional data
 - Machine learning
 - Extreme value theory
 - Regression analysis
 - Random effects
- Actuarial science and mathematical finance
 - Quantitative risk management
 - Monte-Carlo methods
 - Internal risk models
 - Valuation in life actuarial science
 - Modeling and validation in non-life actuarial science

Prof. Dr. habil. Daniel Gaigall

Professor of Mathematics and Applied Mathematics

FH Aachen - University of Applied Sciences

Faculty 09 - Medical Engineering and Technomathematics

Germany

Phone: +49 241 6009 54337

E-Mail: gaigall@fh-aachen.de

Professional skills (selection)

- Areas of business

- Statistical consulting
- Project management
- Risk management
- Internal risk models
- Internal valuation models
- Validation
- Modeling
- Life insurance
- Non-life insurance
- Economic Scenario Generator (ESG)
- Biometric risks
- Library administration
- System administration

- Computer skills

- Statistical programming language R
- Document preparation system LaTeX
- Microsoft Excel
- Microsoft Office
- Database management system MySQL
- Microsoft Windows
- Programming language C++
- Linux
- Apache HTTP Server
- Computer algebra system Mathematica
- Computer algebra systems Maxima
- Financial software MUREX
- Library software PS-BIBLIO

Presentations as invited speaker

1. CMStatistics 2024, London, *Session: Model assessment*
2. StatMod 2024, Belgrade
3. CMStatistics 2023, Berlin, *Session: Model assessment*
4. StatMod 2023, Bucharest
5. CMStatistics 2022, London, *Session: Model assessment*
6. Seminar at the Otto-von-Guericke University Magdeburg in 2022, Magdeburg
7. CMStatistics 2021, London, *Session: Model assessment*
8. CMStatistics 2020, virtual, *Session: Model specification tests*
9. CMStatistics 2019, London, *Session: Model specification tests*
10. 4th conference of the International Society for Nonparametric Statistics 2018, Salerno, *Session: New developments in multivariate inference*
11. Seminar at the Karlsruhe Institute of Technology in 2018, Karlsruhe

Further presentations

1. 4th International Conference on Statistics: Theory and Applications, Prague
2. CMStatistics 2018, Pisa
3. CMStatistics 2016, Sevilla.
4. 12th German Probability and Statistics Days, Bochum
5. CMStatistics 2015, London
6. Ph.D. student meeting of the German Mathematical Society, Berlin
7. Ph.D. student meeting of the German Mathematical Society, Halle
8. 11th German Probability and Statistics Days, Ulm
9. Ph.D. student meeting of the German Mathematical Society, Göttingen
